EDUCATION

George Mason University

Fairfax, VA

BS in Computer Science (current GPA: 3.03)

Graduation Date: May 2026

- Organizations/Awards: Mason Idea Scholarship, Mason Distinction Scholarship, Pi Kappa Alpha Fraternity.

SUMMARY

A driven and detail-oriented student studying Computer Science at George Mason University with a decent background in Python and Java programming. I gained technical support experience working at HydroMeteo Systems' IT Help Desk, where I developed my troubleshooting and problem-solving abilities. I am enthusiastic about using my academic background and technical ability to contribute to cutting-edge technological initiatives. I am fluent in Turkish and English and have limited working proficiency in Russian. Currently pursuing a Bachelor's degree in Computer Science with the aim of increasing my knowledge in technical assistance, research, and software development.

In addition to my technical skills, I have a professional background in sailing, representing Azerbaijan, and have earned a 1st degree in chess winning The National Chess Championship multiple times in Azerbaijan, demonstrating my strong analytical and strategic thinking abilities.

WORK EXPERIENCE

Hydrometeo Systems

Baku, Azerbaijan

Help Desk Intern

June 2023 – August 2023

- Troubleshooted hardware, software, and network issues to provide end customers with technical help; 90% of reported issues were resolved during the first contact.
- Helped with system configuration and maintenance, which included managing software licensing, applying updates, and making sure desktop computers and peripherals ran well.
- Created, updated, and deactivated user accounts in Active Directory to maintain access control and adherence to company guidelines.
- Documented and tracked support requests using ticketing systems (e.g., ServiceNow), ensuring prompt resolution and escalation of more complex issues to senior technicians.
- Collaborated with IT teams to put fixes for persistent technical issues into place, which improved workflow and decreased downtime in general.

LEADERSHIP EXPERIENCE

Pi Kappa Alpha (ΠΚΑ)

Fairfax, Va

Fundraising Chair

January 2023 – January 2024

- Organized and led multiple fundraising events, raising over 1000\$ every event to support a Fire Station and various Charities, significantly exceeding previous years' targets.
- Developed and implemented fundraising strategies, engaging fraternity members and external partners to increase participation and donations through effective marketing and outreach efforts.

Azerbaijani Student Association

Fairfax, Va

Founder/President

December 2024 – Present

- Founded a student organization at George Mason University.
- Events are planned; waiting for specific dates to make them happen.
